### § 1952.362 Completion of developmental steps and certification.

(a) In accordance with the requirements of §1952.10, the New Mexico State poster was approved by the Assistant Secretary on July 2, 1976. A second 15 day contest period is provided for employer/employee appeal directly to the Review Commission. The New Mexico Occupational Health and Safety Act (section 50-9-1 et seq., NMSA 1978) was amended in 1978, 1983 and 1984. These amendments deal with the imposition of penalties for serious violations by governmental entities; the private questioning of employees and employers by the Environmental Improvement Division officials at the worksite; the jurisdiction of the Environmental Improvement Division over working conditions in copper smelters; the use of interview statements as evidence in a civil or enforcement action; and the State's adoption of emergency temporary standards. These clarifications and legislative amendments were approved by the Assistant Secretary on October 30, 1984.

(c) In accordance with 29 CFR 1952.363(a), New Mexico submitted documentation on establishment of its Management Information System on August 18, 1976, and June 3, 1983.
